Phone: 09454983106
Address: Yangon,Hmawbi.

📍 Education

I have finished high school in 2019.
I also finished Diploma in Network Communication in KMD Institute.

📍 Personal Summary

I have been learning programming for 1year by my-self and classes. In these one year I did a lot of projects on my own for improving programming skills and debugging skill. I want to be a software engineer in the future and want to create like facebook and twitter. To be a software engineer, I always keep learing new things and doing projects to make things better with the knowledge I already know. I also love coding and it gives me pleasure.

📍 Work Experience

I have no experience in work but I am always doing my own project and posted in github. That's why I have a little experience in project. You can see my projects on my github.
